

# DEAD LIGHTS

## TECHNICAL RIDER

### OUTPUTS:

- 1 & 2: from band's mixer at drumkit: 2 channels (L&R) - backing track & triggered drums**  
**3: vocals (incl. effects)**

### NOTE:

All instruments, DI and mics are provided by Dead Lights.  
Drums are triggered (electronic), so no microphones necessary!  
Drums must be placed on a riser.  
We have a backdrop (5 x 3 m.), or can provide a JPG file for logo projection.  
We have our own in-ear monitor routing and system, so no monitors necessary.  
Sound and light engineer provided by the venue.

### BAND

Saul: vocals  
Richard: drums and electronics  
+  
Bukuru - driver and merch

---

## HOSPITALITY RIDER

It would be nice to have:

- Backstage: - 1 heated, clean, private, secure dressing room with mirror.  
- Coffee & sandwiches on arrival.
- Drinks: - 10 small bottles of (flat!) water.  
- a few beers.  
- 1 bottle of decent red wine.
- Dinner: - Hot meal. No fast/junk food.
